# Ben Roethlisberger Pittsburgh Quarterback

The Pittsburgh Steelers discovered a genuine gem when they drafted AFL quarterback, Ben Roethlisberger. Nicknamed Massive Ben, this Ohio native led the Steelers to the Super Bowl throughout his second year within the league. Then he went on to take them back and win it extra next when. Its the cause why his [Ben Roethlisberger Rookie Card](#) is growing so fast.

An interest in sports throughout his high school years maybe led to Roethlisberger's success. When captain belonging to the football, basketball and baseball teams, this star within the making finally landed his spot while the quarterback of his high school football team throughout his senior year. It appears while if that practice paid off, literally. In 2004, when Ben Roethlisberger discovered his way into the NFL Draft, the Steelers signed him to a six year contract with an impressive signing bonus. Throughout his rookie season, Roethlisberger succeeded having a 13-0 record for the most effective start by a rookie.

In October 2005, just one year right after he was selected within the draft, Ben Roethlisberger became the NFL Offensive Rookie belonging to the Year while named by the Connected Press. Throughout his rookie season, passing records data were some thing to be broken by this Findlay High School graduate. With them, greatest passer rating and highest completion percentage. It was apparent to all who saw him, which includes Dallas Cowboys coach Bill Parcells, that this young man was here to play. And play he did. When the 2005 normal season wrapped up, the Steelers had secured the AFC league's wild card position within the Super Bowl XL. On February five, 2006, the Steelers took hom the Super Bowl victory in a win against the Seattle Seahawks.

Roethlisberger is far from becoming your typical quarterback. In fact, his stature leaves little doubt that he is really a force to be reckoned with. Tied with few others while the tallest starting quarterback within the NFL, Massive Ben knows how to use his height to read the competition. In addition, his arm seemingly has a knack for guiding the passes to their intended receiver. There is no doubt that height could be an advantage to any quarterback attempting to spot an open receiver on the field.

Ben Roethlisberger will be the second youngest quarterback to play within the NFL Super Bowl. Whilst he has been compared to quite a few legends belonging to the game, Roethlisberger is out to create a name for himself. With exclusively his second normal season behind him, and four years remaining on his contract with the Steelers, it looks while if Pittsburgh can anticipate Massive Ben to be a powerhouse for the team within the years to come.
