pr10/Jul_5F00_ronald_5F00_m.jpg" alt="" /br /br /bMilan have been given a boost with the news that Ronaldinho
will only be out of action for one week.

br /br //bThe Brazilian suffered a hamstring injury in training on Wednesday and initial reports indicated he could
be out for around a month.

But tests have shown that the problem is less serious than first feared and that the 30-year-old will not be out for
long.

br /br /quot;AC Milan can announce that Ronaldinho suffered a left hamstring strain,quot; the club said in a
statement.

quot;The player will not be available for the Emirates Cup matches and will miss around seven days.quot;

br /br /Ronaldinho has recently pledged his future to Milan after another summer of speculation.
