NFL Gambling Online - Washington Redskins Against Titans

Football wagering handicappers have watched the Washington Redskins little by little revert back to their losing ways and re-emerge as a bad NFL betting value. NFL wagering outcomes are compounded for the inconsistent Titans despite the fact that they're still on the list of top Football betting playoff contenders in the AFC.

The Tennessee titans are a touchdown favorite at home in NFL gambling internet as they sponsor the Washington Redskins on Sunday. The Titans will host the Redskins on Sunday with a FOX aired established to kickoff at 1:05 PM ET. The [sportsbook](#) started out with Tennessee as a seven point fave with an over/under of 44 when making an [online bet](#).

Both squads are coming off losses but at least the Titans were somewhat aggressive. The Washington Redskins were humiliated on Monday evening and very few gamblers making an Football bet want whatever to do with them at the moment. The Tennessee Titans are suffering from a 2 game losing streak after last week's 29-17 loss at Miami as they rose over the total for the third consecutive time and fifth time in half a dozen matches in [football bets](#).

Titans are Money against National Football Conference Clubs - Tennessee goes in this match with a 12-game winning streak versus National Football Conference clubs. According to how the Washington Redskins performed on Monday evening that streak should go to 13 competitions after this game is over. The Redskins are simply not a solid NFL squad whilst the Tennessee Titans still have hope of attaining the playoffs in the AFC. Tennessee is a 7-point favorite in this game with the total at the online sports book listed at 44. The Tennessee Titans will be competing their first home game in nearly a month. The Titans have lost 2 consecutive games total and they're at risk of tumbling out of the playoff picture in the AFC. The Tennessee Titans started out 5-2 and were in great shape but they haven't yet performed well the last 2 weeks. They're still in excellent shape though if they win this game as they trail the Colts by just one game in the division. In fact, the Tennessee Titans could be tied for the division lead if they win this match since the Indianapolis Colts are on the road vs the Patriots this week.

Series History - The Redskins and Titans have not played pretty frequently. This is merely the second regular season appearance for the Redskins at LP Field. The most recent time the squads met was four years ago in Washington as the Tennessee Titans won 25-22. Tennessee is 6-4 all-time against Washington.

Washington-Tennessee Trends - The Redskins are 4-1-1 against football wagering online number in their previous six competitions as a road underdog. The Redskins are 0-5 ATS in their last five competitions when playing on Sunday following a Monday night competition. The Tennessee Titans are 5-2 ATS in their past 7 games in November. Looking at the total, the Over is 4-1 in the Washington Redskins last 5 competitions in November. The Over is 5-2 in the Redskins previous seven road contests. The Over is 6-1 in the Tennessee Titans previous 7 home games. The Over is 4-0 in the past four meetings between the 2 teams.
