Turning Into An Overnight Internet Casino Millionaire

Every Web Casino player knows about Microgaming Progressive Jackpots which is undeniably the most famous jackpots you would ever find on the internet! Microgaming Progressive Jackpots also are the biggest Internet Casino Progressive Jackpots with some of these jackpot totals going in the millions. A Progressive Jackpot Game is a game that has one massive prize pool and players from all around the globe are playing the same game and towards the same jackpot.

The actual Progressive Jackpot pot gradually increases with each wager which every player makes as a small percentage of that wager goes towards the jackpot total. This then makes it even more exciting to play Progressive Games as you know that you're ultimately contributing to the jackpot that you might end up winning!

For you to qualify for that grand jackpot the player needs to play in the Progressive Game and bet max. That is a small price to pay for a chance to become an immediate millionaire. Mega Moolah is a Progressive Slots game that's famous for having made the biggest Progressive Jackpot payout in history. A couple of years ago in May of 2009 the biggest recorded payout happened when a gamer struck the Jackpot with the Mega Moolah Progressive Slot, picking up €6.37million in only one payment! These often only come from slot machines and not really when you [play blackjack casino](#) games on the net.

In September of 2010 yet another lucky player from the Isle of Man hit the Mega Moolah jackpot and ended up with \$4.1million in only one payout. To successfully offer you an idea of the number of instant millionaires have already been made, Microgaming has paid out more than €280 million in the Biggest Progressive Jackpots to its players. When the Jackpot is hit the total resets all the way back to the minimum jackpot amount and also the jackpot Ticker will start ticking away again, gradually growing .

At this stage the Progressive Jackpot Total for Mega Moolah is in close proximity to \$1.9million and watching for anyone to strike it lucky! Microgaming absolutely has the Biggest Jackpots Online with a number of games including Treasure Nile, Major Millions, Mega Moolah, King Cashalot and several other Progressive Slot Machines. If you are however keen on just playing [blackjack games online](#) then Triple 7's makes for an interesting variation of blackjack.

They don't only offer Progressive Slots Games though and players can also enjoy playing Poker Ride, Jackpot Deuces, Roulette Royale, Triple 7's and Progressive Cyberstud Poker for a chance of winning massive jackpot prize pools. Microgaming Progressive Jackpots might make your dreams come true instantly and our website recommends to all players to try your luck using them.
